

# GREELEY

*mountains of music*

Sponsorship Information  
2015-2016

The Greeley Children's Chorale is a strong choral organization founded in Greeley, Colorado in 1990 by Kay Copley Boyd. We provide a structured, caring environment where children gain valuable musical skills. With high standards, we help children aspire to be their best in musical artistry as well as personal development. An important part of our success is the strong support we have received from corporate partners. Your donations help us cover programmatic costs and also provide grants to help more than a third of our students participate in the organization.

This year we are excited to announce that 10% of every corporate gift will be earmarked specifically for our Greeley Children's Chorale Scholarship, which is awarded each year to an alumnus/a of our program who is pursuing an academic career in a musical field. These scholarships help our alumni cover the rising cost of higher education as they pursue their passion for music.

Training children to sing is an investment in their minds and talents. Please help us invest in the many children who participate in the Greeley Children's Chorale and consider being a sponsor for the 2015-2016 Chorale year.
